

Increase Google AdSense Earnings - Block Low CPC URLs (450+ URLs)

Low CPC AdSense list 2017 -Hi guys, are you getting low CPC in AdSense? Do you want to block low CPC URLs to increase Google AdSense earning? That's fine, I will tell you here to increase AdSense CPC for your website or blog. It's normal in Blogging to get lower CPC from India or other Asia specific countries. But we can block Advertiser's websites who give low CPC for Ads.

Source - <https://www.howtocrazy.com/block-low-cpc-adsense-list-2017/>

Is it Safe and Secure to Block URLs in AdSense

Yes, you have rights to block website or URLs in your AdSense account setting. Google provide you an option to block a website that is not related to you or your website. So you can block any website that you don't like or don't want to get ads from there. So guys, get ready to get *low CPC AdSense List 2017*.

How To Block Low CPC URLs in AdSense Account

1. Kindly, visit AdSense home page or click here.

Source - <https://www.howtocrazy.com>

2. Now login with your AdSense enabled Google account.
3. At left sidebar, click on '**Allow & Block Ads**'.

4. Now you will get a text area to write your desired website or URL to block.
5. Just write down URLs (one or more by entering into new lines) or paste from downloaded file (download link is below).
6. Click on '**Block URLs**'.

Complete List of Low CPC AdSense List 2017 (Download)

Here is complete list of low CPC AdSense list 2017 that you can block in your AdSense account. You can block 5-10 URLs at one time by entering each URL into new line.
